

Glaucoma Research
Society of Canada

Glaucoma Research Society of Canada & Santen Canada Inc.
will be hosting Our Annual Meeting of Supporters
Online as a Live Webinar

Please Join Us on Wednesday, October 7, 2020
for the 10th Annual Albert Waxer Lecture
Effect of Neuroprotective Drugs in Glaucoma

Dr. Cindy Hutnik, along with her team – Dr. Vinay Kansal and Dr. James Armstrong – will be presenting findings from their research project: *Effect of Neuroprotective Drugs in Glaucoma* – one of this year's project grant recipients! Dr. Hutnik and her team are grateful for the Society's support and eager to share their findings with you.

**A Question & Answer session will follow the presentation.
Please submit your questions in advance by mail, phone or email.**

The virtual format lets the Society welcome supporters from across the country for the first time ever! We hope you will be able to see it live, but if not, we will also be recording it, so you can see it later.

The Society is grateful to Santen Canada Inc. for its generous financial and technical support in holding this year's meeting.

To register for the webinar, submit your glaucoma questions & get a link to the webinar recording:

visit our website: www.glaucomaresearch.ca

email: info@glaucomaresearch.ca

call: (416) 483-0200 (toll-free at 1-877-483-0204)

or mail in the form on the back of the donation card to
GRSC, 215E-1929 Bayview Ave, Toronto, ON, M4G 0E8

**EXACT TIME & FINAL DETAILS ARE STILL IN PROGRESS,
