Scotiabank TORONTO
WATERFRONT MARATHON

The 2020 Marathon is going virtual! GRSC Supporters to Participate in Virtual Race throughout October

Due to the pandemic, race rules have been adapted, letting participants choose their own route and schedule within the month of October. Sponsorship rules remain the same.

Our goal is to raise \$60,000 in the Marathon this year

Last year the Society's participation in the Marathon raised \$56,000 for glaucoma research. We need your help to surpass that goal in 2020.

ALL MONEY RAISED WILL GO TO FUNDING GLAUCOMA RESEARCH
